Consecutive years as an IAGARB member in which district(s)

- The Judge's Test will include a written exam, a practical exam and an essay to evaluate the applicants understanding of the necessary materials concerning the IAGARB standard, IAGARB performance testing procedures and expected conduct of judges.
- Time allotted for the written testing will be 3 hours. The time allotted for the practical test (hands on) will be 2.5 hours.
- Leslie Samson will evaluate the Judge's test scores to determine the best candidates.
- By taking the test, the applicant agrees to accept the final decisions.
- Applications to take the test must be received no later than April 2 so we can make arrangements for the rabbits necessary for the hands-on test.
- The non-refundable price to take the test is \$30.00.
- An IAGARB judge serves our membership by helping them to identify potential improvements in their breeding programs. This is a vital position as they act as the bridge between our standard and the breeder.

Good luck to all applicants!
